THIS PROGRAM IS NOT AFFILIATED WITH DIGESTIVE DISEASE WEEK®

Supported by an independent educational grant from
Takeda Pharmaceuticals U.S.A., Inc.

Medscape EDUCATION

SPEAKERS

MODERATOR

Evan S. Dellon, MD, MPH
Professor
Department of Medicine
Division of Gastroenterology
and Hepatology
Adjunct Professor of Epidemiology
Director, CGIBD Biostatistics
and Clinical Research Core
Director, Center for Esophageal Diseases
and Swallowing
School of Medicine
University of North Carolina at Chapel Hill
Chapel Hill, North Carolina

DISCLOSURES
Evan S. Dellon, MD, MPH, has disclosed the following relevant financial relationships:

Served as an advisor or consultant for: Abbott; Adare; Aimmune; Allakos; Alimentiv; Amgen; Arena; AstraZeneca; Avir; Biorasi; Bristol Myers Squibb; Calypso; Celgene; Celldex; Ellodi; Eli Lilly; EsoCap; GlaxoSmithKline; Gossamer Bio; Parexel; Receptos; Regeneron; Robarts; Salix; Sanofi; Shire; Takeda

Received grants for clinical research from: Adare; Allakos; AstraZeneca; Bristol Myers Squibb; Celgene; Ellodi; GlaxoSmithKline; Meritage; Miraca; Nutricia; Receptos; Regeneron; Shire; Takeda

Other: Allakos; Banner; Holoclara

PANELISTS

Mirna Chehade, MD, MPH
Associate Professor of Pediatrics
and Medicine
Director, Mount Sinai Center for
Eosinophilic Disorders
Jaffe Food Allergy Institute
Icahn School of Medicine at Mount Sinai
New York, New York

DISCLOSURES
Mirna Chehade, MD, MPH, MD, PhD, has disclosed the following relevant financial relationships:

Served as an advisor or consultant for: Adare; Allakos; AstraZeneca; Bristol Myers Squibb; Regeneron; Sanofi; Shire/Takeda

Served as a speaker or a member of a speakers bureau for: Nutricia; Medscape; Vindico

Received grants for clinical research from: Allakos; AstraZeneca; Danone; Regeneron; Shire

Gary W. Falk, MD, MS, ACAG
Professor of Medicine
Division of Gastroenterology
Perelman School of Medicine
University of Pennsylvania
Philadelphia, Pennsylvania

DISCLOSURES
Gary W. Falk, MD, MS, ACAG, has disclosed the following relevant financial relationships:

Served as an advisor or consultant for: Adare/Ellodi; Allakos; Bristol Myers Squibb; Lucid; Regeneron; Shire/Takeda

Served as a speaker or a member of a speakers bureau for: Takeda

Received grants for clinical research from: Adare/Ellodi; Allakos; Lucid; Regeneron; Shire/Takeda

Owns stock, stock options, or bonds from: Bristol Myers Squibb

Medscape, LLC staff have disclosed that they have no relevant financial relationships.

PROGRAM INFORMATION

OVERVIEW

Eosinophilic esophagitis (EoE) is a serious, chronic upper digestive disorder marked by infiltration of eosinophils into the esophagus with resultant inflammation and fibrosis. Diagnostic delays can lead to delayed treatment and disease progression over a number of years. In this live virtual CME symposium, 3 experts will discuss the diagnosis of EoE, including clinical presentation and endoscopy findings, and will review the latest evidence in pharmacologic and dietary EoE treatments that can reduce symptoms and improve patient quality of life. As a bonus feature, attendees will have the opportunity to interact with faculty on a 1:1 basis to address case-based questions in virtual breakout rooms post-symposium.

AGENDA

8:00 AM
Welcome and Opening Remarks
Evan S. Dellon, MD, MPH

Overview of EoE
Evan S. Dellon, MD, MPH

8:10 AM
Diagnosis of EoE: Perspectives From the Clinician and Patient
Mirna Chehade, MD, MPH
Gary W. Falk, MD, MS, ACAG

8:30 AM
Evidence-Based Treatment of EoE: What's the Latest on Diet and Drugs?
All Faculty

9:00 AM
Concluding Remarks and Audience Q&A
All Faculty

8:30 PM
***Backstage Pass* Breakout Session**
(Optional)

BACKSTAGE PASS

Enhance Your Virtual Experience With Backstage Pass!

Backstage Pass provides an intimate virtual session where you can interact with faculty, address case-based questions, and facilitate relationship building.
Video encouraged

TARGET AUDIENCE

This activity is intended for an audience of gastroenterologists, primary care providers (PCPs), and allergists/clinical immunologists.

LEARNING OBJECTIVES

Upon completion of this activity, participants will:

Have increased knowledge regarding the
- Applying guideline-based criteria for testing and diagnosis of EoE
- Implementing appropriate dietary treatments for patients with EoE
- Selecting evidence-based pharmacologic treatments for EoE

Demonstrate greater confidence in their ability to
- Incorporate shared decision-making into EoE management

ACCREDITATION STATEMENT

In support of improving patient care, Medscape, LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Medscape

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

For Physicians

Medscape, LLC designates this live activity for a maximum of 1.25 ***AMA PRA Category 1 Credits***™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
