Sunday, May 7, 2023

1:15 PM – 2:00 PM

Exhibit Hall Theater #1

This is not a CME program. This is a speaker program sponsored by Intercept Pharmaceuticals, Inc. ("Intercept"). Intercept acknowledges that certain employers and institutions may have restrictions pertaining to participation in industry sponsored activities. You are accountable for understanding and complying with those restrictions that pertain to you.

This event is being offered for US healthcare professionals only. No spouses, family or other guests are permitted to attend. All attendance at Intercept sponsored events is documented and may be disclosed as required by state or federal law.

By law, healthcare professionals holding active State licenses in Minnesota and Vermont are restricted from receiving any items of value from industry-sponsored activities. Healthcare professionals licensed in one of these states are prohibited from participation in the meal/beverage provided at this program. US Federal and State laws require Intercept to report certain payments and other transfers of value to healthcare professionals. Thank you for your understanding and compliance.

The Product Theater content and views expressed therein are those of the sponsor and not of Digestive Disease Week®
