

Exclusive from Washington DC

ILLUMINATING ULCERATIVE COLITIS MANAGEMENT IN 2024

Sunday, May 19, 2024 | 6:15 – 7:30pm EDT | Embassy Suites – Capital BCD | Washington, D.C.

Agenda

- 6:15 – 6:20pm** Welcome and Introductions
Marla C. Dubinsky, MD
- 6:20 – 6:40pm** Shining a Light on Ulcerative Colitis (UC)
Approved Therapies: Mechanisms of Action (MOAs) and Study Designs
Marla C. Dubinsky, MD
- 6:40 – 7:20pm** Highlighting Treatment Options Through Case Discussions
Aline Charabaty, MD, FACG, AGAF
Neilanjan Nandi, MD, FACG, AGAF, FACP
- 7:20 – 7:30pm** Expert Panel Insights and Q&A
All faculty

Dinner will be served at 6:00pm

Faculty

Marla C. Dubinsky, MD (Chair)

Professor of Medicine and Pediatrics and Chief of Pediatric GI and Nutrition at the Icahn School of Medicine at Mount Sinai, and Co-Director of the Susan and Leonard Feinstein IBD Clinical Center, New York, NY, USA

Aline Charabaty, MD, FACG, AGAF

Associate Clinical Professor of Medicine, Johns Hopkins School of Medicine and Clinical Director of the IBD Center, Johns Hopkins Sibley Memorial Hospital, Washington, D.C., USA

Neilanjan Nandi, MD, FACG, AGAF, FACP

Associate Professor of Medicine, Perelman School of Medicine, University of Pennsylvania, Philadelphia, PA, USA

Learning Objectives

- Explore and identify unmet needs in the management and treatment of ulcerative colitis (UC) through patient case discussions
- Review and understand the mechanisms of action (MOAs), study design, efficacy, and safety data for treatment options in UC
- Apply these concepts into clinical practice as part of shared patient-HCP decision making to optimize treatment outcomes in UC
