Sponsored by Pfizer

Notice: Pfizer is committed to the appropriate marketing of its products to ensure that interactions with HCPs are professional exchanges designed to benefit patients and enhance the practice of medicine. All Pfizer-sponsored programs are conducted in accordance with PhRMA Code principles to address a bona fide educational need with appropriate attendees in a venue and manner conducive to informational exchange.

State and Federal Employees: State and federal laws and regulations may carry additional restrictions. By attending this event, you confirm that you have obtained any necessary approvals from your employer.

Public Disclosures: Pfizer reports payment and transfer of value data as required by federal and state transparency laws.

State Law Restrictions:

Minnesota: Regardless of where you practice or reside, if you are a Minnesota-licensed practitioner with prescribing privileges, then you may not consume any food or beverage associated with this event.

Vermont: Regardless of where you practice or reside, if you are a Vermont-licensed HCP, you may not consume any food or beverage associated with this event. Additionally, if you are an employee/agent of a Vermont HCP (eg, PAs, non-prescribing nurses, etc.), regardless of where you practice or reside, you may not consume any food or beverage associated with this event.
