Director Houston Research Institute
Houston, Texas

Tuesday, May 21, 2024

Time: 10:20 AM – 11:05 AM

**Walter E. Washington
Convention Center**

DDW Theater 2

A snack will be provided^a

**Plan to arrive early to reserve
your seat. Space is limited.**

Program Description

Join us as we discuss MASH (metabolic dysfunction-associated steatohepatitis) and the impact of the underlying metabolic dysfunction on disease progression. We will also discuss the importance of early identification and screening for at-risk patients and review current management considerations.

This program is sponsored by Novo Nordisk.

This is a disease awareness education presentation; it will not be certified for Continuing Medical Education credit.

The Product Theater content and views expressed therein are those of the sponsor and not of Digestive Disease Week®.

^aNovo Nordisk will report all transfers of value, including meals, as required by law. Please refrain from consuming any meals available at this event if you are a health care provider licensed in a state that prohibits, or applies limits to, such interactions. Please contact NNI Ethics & Compliance with any questions at NNIComplianceassist@NovoNordisk.com.

In accordance with the PhRMA Code on Interactions with Healthcare Professionals, Novo Nordisk will not provide alcohol at its programs and attendance at this program is limited to healthcare professionals with an educational need to receive the information. Additionally, attendance by guests or spouses is not appropriate and cannot be accommodated.
